Maize Mill Funded

Thanks to the incredible funds raised during the Snowdon Walk, a maize mill has been successfully funded for Mphasto.

IMPACT AT A GLANCE

- ✔ **Sustainable Nutrition** – The mill will generate income to fund meals for babies at Mphasto, ensuring their survival in the critical first month of life.
 - ✔ **Economic Growth** – By processing maize locally, the mill creates employment opportunities and strengthens the local economy.
 - ✔ **Community Support** – Beyond food security, this initiative fosters long-term self-sufficiency and resilience for families in the region.
-

A maize mill is a lifeline for many families in the area and it wouldn't have been possible without your support!

We're already planning our 2025 Snowdon fundraiser - make sure to join us again!
