

LOVE SUPPORT UNITE

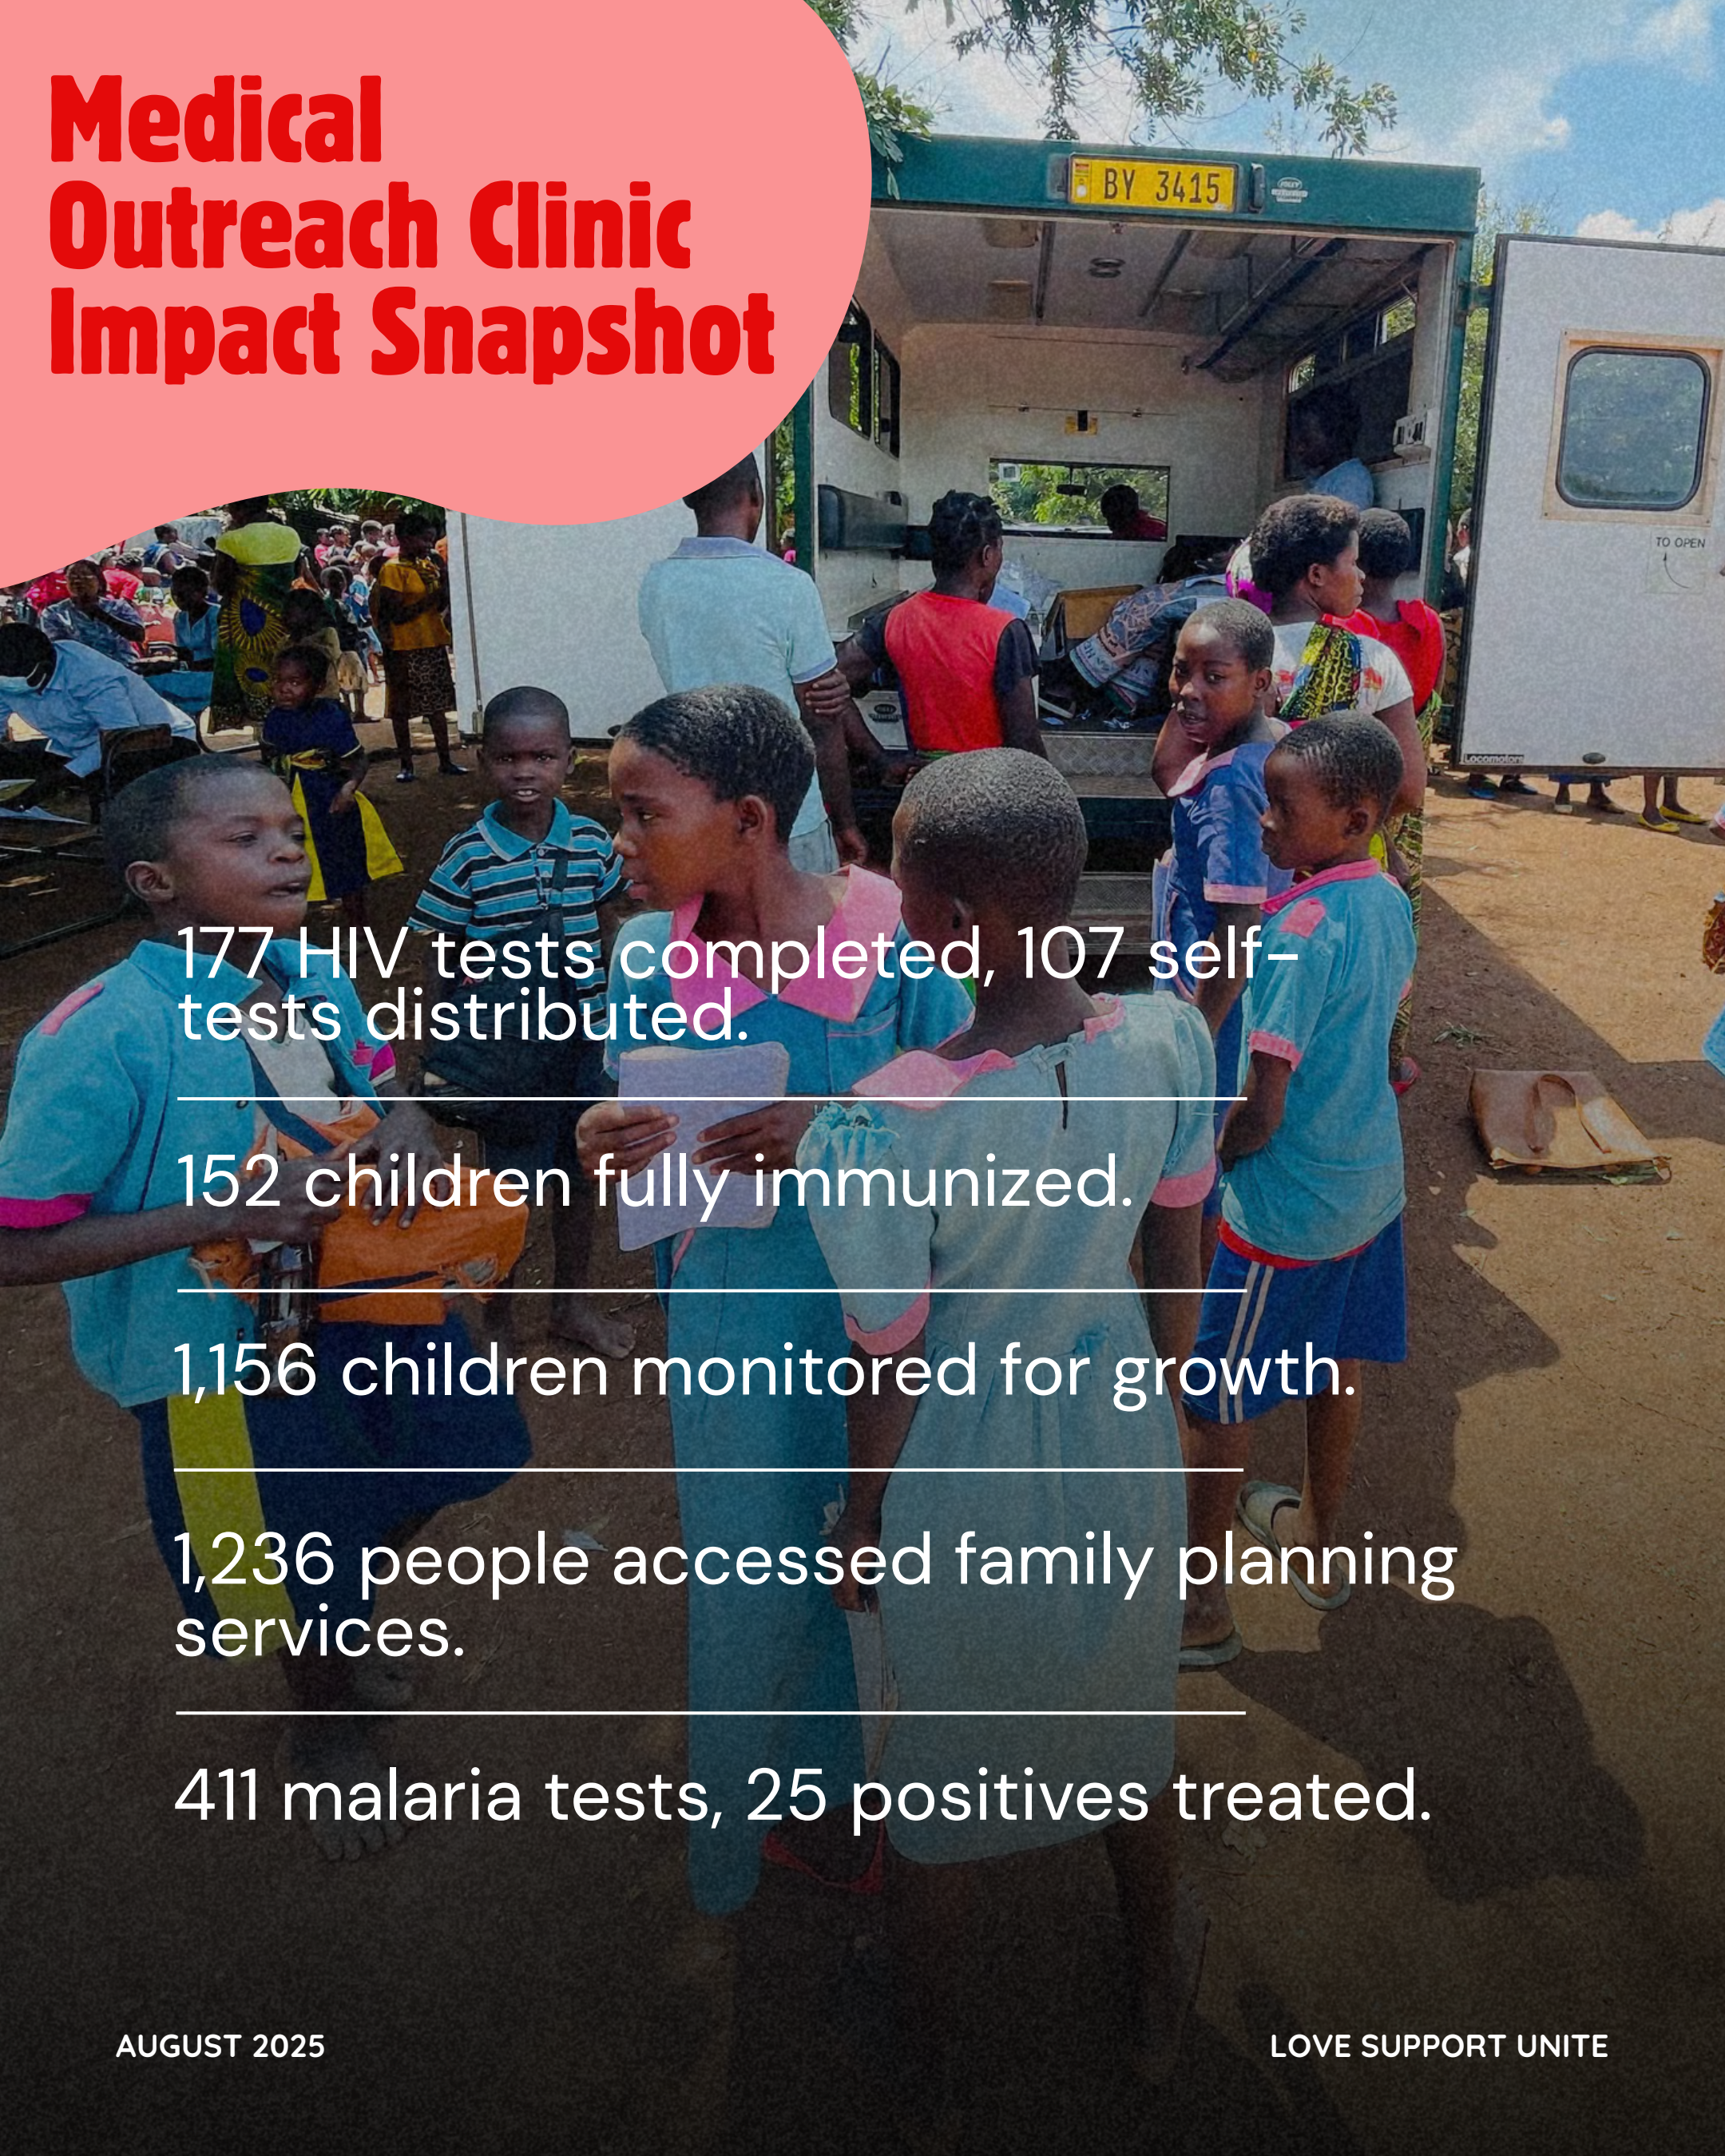

AUGUST REPORT 2025

**In August 2025, Love Support Unite
is proud to celebrate another
month of impact with our dedicated
partners at African Vision Malawi &
The Malawi Projects.**

**We continued to bring life-saving
healthcare to the most vulnerable.
Through mobile clinics and
disability outreach, thousands of
people gained access to essential
medical services that would
otherwise be out of reach.**

Medical Outreach Clinic Impact Snapshot

177 HIV tests completed, 107 self-tests distributed.

152 children fully immunized.

1,156 children monitored for growth.

1,236 people accessed family planning services.

411 malaria tests, 25 positives treated.

That's **2,370**
community members
seen through health
outreach

Disability Outreach

BUILDING A FUTURE
WHERE EVERYONE CAN
LEARN, GROW AND THRIVE
– NO MATTER THIER
ABILITIES

5 clients supported at Chimbalu Health Centre

3 referrals to 500 Miles for prosthetics & rehab.

2 referrals to Bwaila Hospital (clubfoot & wheelchair assessments).

Stories of Hope

This month, 18-year-old Dolesi came with her mother to the disability assessment clinic, where our rehabilitation technician encouraged her to begin physiotherapy sessions – a vital step towards greater independence and improved quality of life.

Stories of Hope

Mphatso was referred to 500 Miles for the repair of her prosthetic leg, ensuring she can walk comfortably again and continue living with confidence and dignity.

Orphans and Vulnerable Children

Food & education packs distributed to 7 families including maize, beans, cooking oil, soap, and Likuni phala.

FAMILIES EMPOWERED WITH PIGLETS FOR REARING AND TRICYCLES FOR MOBILITY.

EDUCATION MATERIALS (UNIFORMS, BOOKS) SUPPORTED CHILD-HEADED HOUSEHOLDS AND VULNERABLE CHILDREN.

Safe Motherhood Project

A woman in a blue shirt and purple patterned skirt is watering plants in a garden. She is holding a red watering can and is standing in front of a chain-link fence. The garden is filled with various green plants, including cabbages and leafy greens. The background shows a building with a door and windows.

WOMEN AND THEIR SPOUSES TRAINED IN PERMACULTURE GARDENING, WITH SEEDS PROVIDED (CABBAGE, ONIONS, RAPE, CARROT, MUSTARD).

**Every clinic reached, every
child immunised and every
life restored is only possible
because of your support.
Together, we're building
healthier communities and
giving hope to those who
need it most.**

THANK YOU!
