## OUR MISSION

**With your ongoing love and support we have been able to provide; education, accommodation at school, food and medical care to 30 children of Tilinanu.**

**The incredible progress of the girls we love, and have supported for 16 years is breathtaking.**

Fundraising is an ongoing challenge as events are harder to organise and costs rise globally. In this report you will see the impact of the charity and how the funds are spent in Malawi.

Most importantly, the impact is that lives are changing. These individuals are given a chance of education that no one can take away, breaking the cycle of poverty. Each child you read in the report could have been you, or your children. We will be eternally grateful for your ongoing support to give them this chance.

With love and thanks always,  
Tilinanu Education Trustee board

Alice, Nina, Yvonne, Linda,  
Gayle and Jade xxxx

**'As one of the Tilinanu girls i want to express my deepest gratitude for all that you've done for me and the girls. Your selfless support has been a constant source of comfort and inspiration. I know that things are tough out there, with events being hard to organize and costs rising every day. But I want to assure you that your efforts are not in vain. For us girls in Malawi, your support is our only hope. You are our lifeline, and we rely on your kindness to survive. I urge you to please keep going, despite the challenges. Your help is crucial to our well-being and future prospects. Thank you for being our rock, our shelter, and our guiding light. We are forever grateful for your love and support'**

# Tilinanu Trustee Jade Perry

**I am hoping to visit Malawi later this year, having left in January 2024 after spending 6 years there with the Tilinanu girls.**

It is safe to say that I am hugely looking forward to seeing them all again and hearing all about their life updates.

As always I would like to thank all of our kind sponsors for your continued love and support for the girls.

# The Tilinanu Cooperative

Tilinanu  
2024/2025

**Tilinanu Orphanage was a safe haven for vulnerable girls in Malawi for many years. Although the orphanage closed its doors 5 years ago, the needs of the girls who grew up there have not diminished. Many of these girls are now living in their homes, facing various challenges as they navigate adulthood.**

In response to these challenges, our project aims to provide support and assistance to these girls during times of crisis or need. We recognise that the girls' experiences in the orphanage have shaped their lives, and we are committed to helping them overcome the obstacles they face.

Our project is built on the foundation of compassion, empathy, and a deep understanding of the girls' needs.

We believe that every girl deserves to thrive, and we are dedicated to providing them with the necessary support to achieve their full potential.

By providing emergency response, basic needs support, empowerment, and community engagement, we aim to create a safety net for these girls, empowering them to build resilient and fulfilling lives.

## 2024 - 2025

Expenditure

■ UK Costs ■ Donations to Love Support Unite Africa Foundation - Education in Malawi

Income

■ Annual Donations ■ Monthly Donations ■ One Off Donations  
■ Quarterly Donations ■ Just Giving - Gift Aid

# FINANCIAL REVIEW

Support and governance costs of the charity were £4,310, ensuring the girls reintegration was completed effectively. This is 11% of the total costs.

There are no administration costs for the charity as Love Support Unite do all of the administration for the charity free of charge.

School fees and welfare for the Tilinanu girls is managed through our partners African Vision Malawi, funds are paid from the UK to their account on a monthly basis.

Fundraising has been difficult this year, we haven't been able to host our annual fundraising event. This event usually raises enough money to sustain the orphanage for a full year. We have been fortunate that our monthly direct debit and donors have maintained support.
